3 COUNSELING SERVICES

Hampden Charter School of Science East-West has a school guidance counselor who is available to see students regarding problems that they may be experiencing at school or home. Usually the class teacher refers the student to the school guidance counselor.

4 UNIFORMS AND PERSONAL APPEARANCE

HCSS has a uniform to help promote a more effective learning climate; foster school unity and pride; improve student performance; foster self-esteem; eliminate label competition; simplify dressing and minimize costs to parents; teach children appropriate dress and decorum in their workplace; and help to improve student conduct and discipline. You will be expected to arrive in uniform every day. Please cooperate, display modesty and neatness, and take pride in these clean, neat and attractive uniforms. We rely on your common sense and your parents’ and/or guardians’ support in helping maintain this dress code.

In addition to making sure you are wearing the school uniform, HCSS requires that you follow all guidelines in terms of uniform appearance and personal appearance. HCSS prohibits any clothing or grooming that, in the administration’s judgment, may reasonably be expected to cause disruption of, or interference with, normal school operations. The dress code listed below will encourage young people to maintain good standards of dress as well as allow for comfort, safety, and personal preference in their dress.

PLEASE NOTE...

If you arrive at school out of uniform, your parents will be called. You will be kept out of classes until you are dressed appropriately and all class time you miss will count as an unexcused absence. The staff reserves the right to determine and restrict unbecoming styles. If a student is dressed or groomed inappropriately, parents may be called to bring a change of clothes. Violations of the dress guidelines will result in incremental disciplinary action.

4 HOMEWORK POLICY

Homework is an essential part of your successful educational program at HCSS. Doing homework will help you to develop many valuable skills such as good study habits, time management, responsibility, and perseverance. Teachers will assign homework that will foster individual learning and growth and that is appropriate for the subject area. Homework is part of all students' regular evaluations. It is your responsibility to complete and turn in homework on time. In the case of conflict regarding homework assignments, the teacher's record is final. If you or your parents have questions about homework, immediately contact the teacher who assigned it. HCSS teacher contact information is available at our website.

1. Students who submit homework completed according to expectations and on time will be eligible for full credit.
2. Students who fail to submit homework on the due date will receive zero (0) for the assignment.
3. Late submissions of homework will be accepted for partial credit. The last day to submit late homework is up to one week from the due date.

5 ILLNESS, INJURY, AND MEDICATION POLICIES

HCSS will have a school nurse or first-aid-trained-person available to discuss or assist with medical problems or concerns. Unless you are ill, you must make an appointment in advance with the nurse.

5.a Illness or Injury during the School Day

Please follow these three rules if you become ill or are injured during the school day.

- Ask staff permission to go to the nurse's office.
- Report to the nurse's office. If the nurse is not available, you should report to the Main Office.
- If you do not inform the office and simply miss class, it is an unexcused absence.
- Do not leave the building without permission. Always report to the main office.

Students are not allowed to use personal cell phones to contact home if ill. Doing so may result in student being disciplined

5.b Medication Policy

Medication should not be brought to school unless it is essential to the health of the student. If a student must take medicine at school, these procedures must be followed:

- The medication to be administered by designated school personnel must be brought to school by the student's parent/guardian.
- The school must receive a Medication Administration Directions Form signed by the student's physician and parent/guardian.
- On the medication container, the following information must be clearly printed:
 - Student's Name
 - Name of the medication
 - Dosage
 - Time the medication must be taken.
- Bring in only the amount of medication that is needed for a school day.
 - In the case of prolonged need, send in the amount for a clearly specified period such as one week or one month.
- All medication, including Over the Counter (OTC), will be kept in a secure location in the nurse's office.

Students are not allowed to carry any medication with them to school. Aspirin, Tylenol, and other patent drugs are available from HCSS. Exceptions may be made in accordance with M.G.L. c. 71, sec. 54B.

6 HEAD LICE POLICY

HCSS follows the No – Nit Policy. At the time head lice are positively identified, the student’s parent/guardian will be notified to pick the student up immediately. The student and parent/guardian will need to check in at the office to have the student re-checked. At the time of re-check, if there are nits visible, the student will not be allowed to remain in school. No child will be penalized for absences as a result of head lice. Students will be provided sufficient time, as determined by each teacher, to make up any missed work, quizzes or tests.

7 LOCKERS

Each student will be assigned a locker for his/her individual use at HCSS. This locker is for storing books, coats, and personal items necessary for school. The lockers should not be used to store valuable items. HCSS will not be liable for personal items left in the lockers or brought to school with you. To keep your school items safe, we strongly advise you to keep your locker and its combination private. **You cannot trade lockers with another student. It is not recommended to share your locker with another student.** It is your responsibility to see that your locker is kept locked and in order at all times. You should report any damage, vandalism, or non-working condition of your locker to the front office. If you do not report vandalism, damage, or non-working condition of your locker, you will be held responsible for it. Please remember that your locker is school property and remains at all times under the control of the school; however, you have full responsibility for the security of your locker and what is in it. Lockers are expected to be kept neat at all times. School officials will make periodic locker inspections. No item considered dangerous by the administration may be kept in the lockers and will be removed if found there. This includes glass or any other object that may be potentially dangerous. MA State law permits inspection of student lockers, at the discretion of local school officials. Students attending HCSS should not expect privacy of the contents of their lockers, desks, or other school property.

On a regular school day, students can go to their lockers on the following designated times only.

- a. Before classes begin in the morning
- b. During the four minute passing periods
- c. After classes are over for the day

You will not need to purchase a combination lock for your locker. Students may not put their personal lock on their lockers.

A locker is an essential part of a student’s life at HCSS. Use of lockers is strongly encouraged since no backpacks will be allowed in any of the classrooms.

8 LOST AND FOUND

If you find books, clothing, or personal items on the school grounds, please bring these items to the office. If you lose something, check the Lost and Found. These items will be kept in the Lost and Found Box for up to seven (7) days after they have been found. The corridors are inspected each evening and unsecured student property is placed on the Lost and Found. Students should ensure that all their books, uniform items, and other property are clearly labeled with their name to ensure a prompt return of such items if they become misplaced.

9 LUNCH PERIODS

All students will remain at school during the lunch period. You provide your own lunch, or eat lunch provided by the school. If you have a special situation, you will need to meet with the Director. During the lunch period, you will be expected to display good manners and courtesy. You must eat your lunch only in the lunch area. You will be expected to clear your place and dispose of all trash appropriately. Teachers on duty during the lunch period will hold you responsible for your behavior. Students who do not maintain a certain level of respect for others and for their environment will be held accountable for their actions.

If you stay for an after-school activity, you will be expected to follow these rules:

- A permission slip must be signed by parent or guardian.
- You must be with a teacher or other staff member at all times.
- You must arrange for your own transportation; your pick-up or ride should arrive promptly at the end of the activity. If your ride fails to pick you in a timely fashion, your after-school privileges may be rescinded. If your ride fails to pick you up, the proper authorities will be contacted.
- You must abide by the HCSS code of student conduct while participating in the activity.
- You may not stay after school to wait for another student, including siblings.

A full list and description of after school clubs and activities will be posted after school starts and students will have an opportunity to explore each one that looks interesting.

13 STUDENT ID CARDS

Student ID cards will be issued to new students for free. This card allows students to attend school-sponsored functions. The student may be asked to show and use the ID card in order to receive free breakfast and lunch. If the student loses his or her ID card, go to the main office before or after school to purchase a new card for \$5.

14 CHROMEBOOKS, TEXTBOOK AND SUPPLIES

HCSS may use classroom sets of textbooks for each course. HCSS will hold each student's parent/guardian responsible for the condition of the textbook issued at the beginning of the year. Each student should take care

to see that these books are not lost, stolen, damaged, or defaced. Students will have to pay to replace any books that are damaged or not returned. Students must return all textbooks and workbooks at the end of the year. Should a student withdraw or be expelled, all textbooks must be returned to HCSS immediately. When textbooks are checked out, the textbook will be registered and the condition of the book will be noted. When you return the book, its condition will be checked. If you lose the book or damage it by writing in it or ripping it so that another student cannot use it, you will have to pay the current price to replace the book.

Chromebooks are distributed at the beginning of the school year. HCSS will hold each student's parent/guardian responsible for the condition of the chromebook issued. Each student should take care to see that the chromebook is not lost, stolen, damaged, or defaced. 15 GRADE PROMOTION AND RETENTION

Grade Promotion Policy For Middle School - Grades 6-8

1. **Attendance:** Any student who exceeds ten (10) unexcused absences in one school year will not be promoted to the next grade level.
2. **Core Course Requirement:** A middle school student must pass all core courses (ELA, math, science, or social studies) to advance to the next grade level.
 - a. A middle school student who is failing one or two core courses is required to take a proficiency test in each of those courses. Proficiency tests will be administered at the end of the school year. A middle school student who is failing three or more core courses will automatically repeat the grade.
 - b. The middle school student's final grade-of-record for any core course they are failing will be equal to the average of the student's year-end grade and the proficiency test score. For example, a student who earns 50% for a core course grade and 80% on the proficiency will get 65%, a passing grade for the course.

- c. If the resulting grade is below 65%, the student will have failed the core course and will repeat the grade in the upcoming school year.

Note: HCSS does not accept summer school credits from other institutions as transfer credits.

Grade Promotion Policy For High School, Grades 9-12

1. **Attendance:** Any student who exceeds ten (10) unexcused absences in one School Year will not be promoted to the next grade level. The student will not earn any credit.
2. **Denial of Course Credit**
 - a. A high school student who fails a core course (ELA, math, science, or social studies) is required to take a proficiency test which will be administered at the end of school year.
 - b. A high school student who fails three or more courses for a year will be required to repeat the grade.
 - c. The high school student's final grade-of-record for any failed core course will be equal to the average of the student's year-end grade and the proficiency test score. For example, a student who earns 50% for a core course grade and 80% on the proficiency will get 65%, a passing grade for the course.
 - d. If the resulting grade is below 65%, the student will have failed the core course and will be required to retake the core course.
 - e. Any student having 20% or higher absenteeism - excused and/or unexcused - in a school year in a core course shall earn no credit for the course.
3. **GPA and Core Courses:** Any student who fails two or more courses in a school year will be referred to the academic committee for further review to determine grade promotion status.

Note: HCSS does not accept summer school credits from other institutions as transfer credits.

20% Attendance Policy

- Any student having 20% or higher absenteeism - excused or unexcused - in a quarter in a core course is required to show proficiency on the proficiency test. Quarter finals are the proficiency tests for each quarter.
- The student's final grade for that quarter will be equal to the proficiency test score, with the maximum grade being 80 (B-).
- Measuring the proficiency level for students who have a verified medical condition with a physician's statement for *Temporary Home or Hospital Education* will be at the Director's discretion.

16 ATTENDANCE

Regular school attendance is essential for the student to make the most of his or her education—to benefit from

teacher-led activities, to build each day's learning on the previous days, and to grow as an individual. It is also the law in the state of Massachusetts.

- Students under 16 years of age are of compulsory school age and are expected to attend school. School officials monitor attendance of students and will commence an investigation of any student who is excessively absent or truant from school. School officials will consider extenuating circumstances in determining whether an absence will be excused or not. Some examples of excused absences include, but are not limited to:
 - o An extracurricular activity or public performance that has been approved by the District's Board of Trustees.
 - o Required screening, diagnosis, and treatment for Medicaid-eligible students.
 - o A documented health care appointment—if the student begins classes or returns to school on the same day as the appointment.
 - o A temporary absence resulting from any cause acceptable to the Dean of School Culture or Director, including personal illness; or illness or death in the immediate family.
 - o A juvenile court proceeding documented by a probation officer.
 - o An absence required by state or local welfare authorities.
 - o Family emergency or unforeseen or unavoidable instance requiring immediate attention.
 - o Approved college visitation.

Please note: HCSS may ask for additional documentation.

- HCSS shall excuse students from attending school for the purpose of observing religious holy days when it is a tenet of their faith that they must be absent from school during such time and if, after the absence, the parent, guardian, or person having custody or control of the student submits written notification for the excused absence. The District shall excuse the student for days on which the student must travel to and from the site where the holy days will be observed. Excused days for travel shall be limited to not more than one day for travel to and one day for travel from the site. A student whose absence is excused for religious holy days shall not be penalized for the absence and shall be counted as having attended for purposes of calculating attendance. Students excused under this provision shall be allowed a reasonable time to make up schoolwork missed on those days.
- In those rare circumstances when a student must be absent from school, the student— upon returning to school—must bring a note, signed by the parent, that describes the reason for the absence. Administration will use discretion in determining if the absence is excused or not. **Notes must be received within three days of the absence, or the absence may be unexcused.**
- If a student is absent for any reason should promptly make up specific assignments missed and/or complete additional in-depth study assigned by the teacher. A student who does not make up assigned work within the time allotted by the teacher will receive a grade of zero for the assignment.
- All anticipated absences must be cleared by the Director at least one full day before the absence. All assignments missed will be due on the day the student returns to school unless otherwise arranged with teachers or Director. Assignments associated with an anticipated absence will be provided before or after the absence at the discretion of the school. Any absence not cleared in advance will be unexcused.
- Because excessive absences are considered truancy under state law, the school has the right to take

extreme absence cases to court.

16.a Absence and Tardiness

HCSS recognizes two kinds of absences and tardiness: excused and unexcused. Please read through the definitions of each carefully so that you understand what you and your parents' or guardians' responsibilities are. Also, you need to be acutely aware of your responsibilities regarding homework, quizzes, and tests when you have an excused absence and the consequences for unexcused absences.

Students must provide a note from a parent or guardian or a doctor for an excused absence to be admitted to school.

16.b Excused Absences

HCSS accepts only the following as excusable reasons for absence from school. Under the compulsory education law, parents or guardians must notify the school any morning their child is not attending. The excuse shall be submitted to the attendance office and filed as part of the student's school record. An excuse for absence from school may be approved for one (1) or more of the following reasons or conditions:

- HCSS reserves the right to request additional documentation to consider an absence excused

16.c Unexpected Absences

Personal Illness

- Your parent or guardian must call the school each morning you are ill.
 - When you return to school, you must bring an explanatory note from your parent or guardian.
- The school may require a doctor's confirmation.

Illness in the Family

- Your parent or guardian must call the office to explain the situation and estimated time of absence.
- When you return to school, you must bring an explanatory note from your parent or guardian.

Quarantine of the Home

- Your parent or guardian must call the office to explain the situation and estimated time of absence.
- When you return to school, you must bring an explanatory note from your parent or guardian.
- Such an absence is limited to the length of the quarantine as fixed by the proper health officials.

Death of a Relative

- Your parent or guardian must call the office to explain the situation and estimated time of absence.
- When you return to school, you must bring an explanatory note from your parent or guardian.
- The school may require a supportive document.

Anticipated or Planned Absences

Observance of Religious Holidays

- Any student shall be excused for the purpose of observing a religious holiday consistent with his/her creed or belief (Documentation from the family's place of worship may be required).
- Professional Appointments
 - We encourage parents to schedule medical, dental, legal, and other necessary appointments outside school hours whenever possible. If this is not possible, you must bring a note to the office the day of the absence stating clearly the time you are to be dismissed. In addition, the following rules shall apply to this kind of dismissal during the school day:
- Parent or guardian must sign the student out of school;
 - The student must return to school when the appointment is finished if classes are still in session.

16.d Unexcused Absences

An unexcused absence does become part of a student's school record. You will be marked for an unexcused absence if you

- fail to bring a written note within three school days following an absence;
- leave school without permission;
- are absent from class without permission - including walking out of class;
- are absent from school without parental permission;
- get a pass to go to a certain place but do not report there, and/or;
- are absent for reasons not acceptable to the administration.

16.e Make-up Work for Excused Absences

- An absence from school, even for several days, does not excuse you from responsibilities in the classroom on the day you return. If you have an excused absence, you will be given the same number of days that you were absent to make up missed work.
- If you are absent for school-related reasons or for an anticipated or planned absence, make arrangements with your teacher(s) for assignments prior to your absence. For students with excused absences, make-up tests will be scheduled at a time designated by the teacher. It is the student's responsibility to take the test at that time. If you fail to do this, the teacher is not obligated to reschedule the make-up. If you fail to make up a test without making other arrangements, the teacher may decide not to give you the test.

16.f Make-up Work for Unexcused Absences

If you have an unexcused absence, your grade(s) in a class or classes will be affected in one of these ways:

- Unexcused absences may result in an "F" or "zero" for the day in each class missed.
- Teachers are not obligated to allow you to make up quizzes or tests.

16.g Habitual Truancy

HCSS shall consider a student a "habitual truant" by State law when in spite of warnings and/or his/her parents' efforts to ensure attendance, he/she has accumulated five (5) consecutive days or ten (10) total days of unexcused absences during a school year.

16.h Tardiness

The HCSS Tardy Policy has been developed to emphasize the importance of each student being in the classroom for the entire period, as well as arriving on time to school every day. Learning the responsibility of getting to class on time is an integral part of HCSS's standard of excellence, which prepares students for success.

In our school, instructional time is viewed as a precious resource. Consequently we view chronic tardiness as a serious problem. Note that after each incident you will receive this notice; but if the problem continues additional consequences will be imposed.

Thank you for your support in ensuring students make maximum use of class time and learn to be punctual. Students are expected to be in the classroom promptly at **7:50 A.M.** Beginning the day promptly is important and demonstrates commitment to success.

Doors will open at 7:35 for students. Students should be inside the school and ready for class by **7:50 A.M.** Afterwards, they must use the front entrance and report to the Main Office to get a tardy slip from designated staff member. Tardiness to school will be unexcused even though the parent brings the student to school. Oversleeping, car/traffic problems, etc. are all unexcused. Tardies are excusable by a school official under the following circumstances:

1. Court appointment
2. Illness of the student
3. Student has a doctor/dentist appointment

A note or phone call from a parent or a professional note from a doctor/dentist will be required to verify the above.

In addition, students are expected to be punctual for each and every class. Tardy is excusable only if a student has a written note from the nurse, a counselor, or an administrator.

Problems with tardiness to school may require adjustments in the family's morning schedule. The consequences for repeated tardiness within a quarter are as follows.

HAMPDEN CHARTER SCHOOL OF SCIENCE EAST-WEST

The number of tardies	Consequences
5th tardy	Parent Communication
10 th tardy	Parent Communication with additional consequences
20 th tardy	Social Probation

The Dean of School Culture has the right to substitute an alternative disciplinary intervention for repeat offenders. (HCSS intermittently conducts hallway sweeps; those without permission to be in the hallway during class time may be issued discipline.)

17 DISMISSAL POLICY:

Students should be picked up no later than 10 minutes after dismissal each day. Busses leave HCSS 10 minutes after dismissal.

Grades	Dismissal Time	After School	Half Days	Testing Days
Grades 6-12	Monday – Thursday 2:55 PM Friday and non-study hall days – 2:11 PM	3:45 PM (unless otherwise noted)	11:46 AM & (unless otherwise noted)	2:08 PM (unless otherwise noted)

Students should not be in the corridors, at their lockers, or in the school building after 10 minutes of the dismissal unless accompanied by a staff member. There is a waiting area by the main office for the students who are waiting for their parents. Students should follow all the school rules in the waiting area.

Dismissal Information Form: Parents must fill out a form provided by the main office about dismissal information of their children. HCSS is not responsible for students who leave the campus without a written permission from an administrator. Students are not allowed to loiter in front of neighboring businesses. Disciplinary action may be taken for those who leave and come back to campus without having a written

permission from an administrator.

Important: After 10 minutes, students will be taken to the “Waiting Area”

Hampden Charter School of Science East-West has a right to call Child Protective Services, Police Department, or related authorities for the students who are on the campus after 4:00 PM. Students will not be able to stay on the campus after 4:00 PM unless specified for certain activities. For more information, please contact the main office.

18 EARLY DISMISSAL OF STUDENTS FROM SCHOOL

Because HCSS is very concerned about your safety and well-being, early dismissal from school is an important issue. In all instances of early dismissal, the following precautions will be taken to ensure student’s safety.

- The Director may release you before the end of a school day only upon presentation of a written or face-to-face (no telephone calls) request from your parent or guardian or for emergency reasons.
- You may be released only to a parent or guardian whose signature is on file in the school office or to a properly identified person, authorized in writing by the parent or guardian to act on his/her behalf.
- You may be released "on his/her own" only with verified parental permission.
- No staff member shall permit or cause you to leave school prior to the regular hour of dismissal except with the knowledge and approval of the Director and with the knowledge and approval of your parents or guardian.
- You may not be released from school to any government agency without proper warrant or written parental permission except in the event of an emergency as determined by the Director.

Please be reminded that regardless of whether it is a regular or an early-dismissal day, the school building may be locked at 4:15 PM.

19 UNEXPECTED CLOSING OF SCHOOL

In case it would be necessary after students have gone home to close school the next day because of weather or some other emergency situations, the closing will be posted on the school website or local radio or TV stations will be notified. An automated phone message (call/email) may also be sent home in the advent of an unexpected closing of HCSS.

20 STUDENT CONDUCT AND DISCIPLINE

See the Student Code of Conduct.

21 DAMAGE TO SCHOOL PROPERTY

Students who accidentally damage school property must report this promptly to the Director or classroom teacher. Where damage (e.g., a broken window) results from careless behavior, students will be expected to pay the cost of repairs. Unreported damage will be regarded as vandalism. Please refer to the Code of Conduct for possible disciplinary consequences.

22 WITHDRAWAL FROM SCHOOL

When a student must withdraw from HCSS during the school term, he/she will report to the office on the morning of the day he/she leaves. There, the student will receive a withdrawal form that will be taken to each of his/her teachers by an HCSS staff member for "clearance" showing that the following responsibilities have been fulfilled:

- Has returned all borrowed Chromebooks, textbooks and checked out materials;
- Has checked in all assigned equipment;
- Fees are paid;
- Release of student records signed by the parent.

The withdrawal form will then be returned to the office for official release. Students going to another school will take with them a copy of the completed withdrawal form that gives grades earned to date in the current period.

A PARENT SIGNATURE MUST BE ON ALL WITHDRAWAL FORMS for students under 16 years of age.

23 COMMUNICATION

The administration and staff will use all means (mail, e-mail, phone, text messaging, etc.) to communicate with the parents. In the event of a change of address, telephone number, or e-mail address, please notify the school office immediately. The school may not be held responsible for lack of communication unless parent contact information is updated regularly.

Communication is the key word for success in education. You have many ways to contact our teachers. Possible ways are listed:

- You may directly call the teacher's extension during school hours (7:50 am. thru 2:55 pm.). If a teacher is having a class, please leave a voice message. Teacher phone extensions are available at the front office.
- You may send an email to teachers. E-mail addresses are available at the front office.

You can use our website www.hampdencharter.org to see your child's academic progress and conduct.

- Usernames and Initial Passwords are given at the beginning of the school year by the IT Department.
- Check the “Letters and Messages to Parents” board in the front office.

Please note that it is also Parent’s or Guardian’s responsibility to monitor student’s progress and conduct.

24 GOING TO AND FROM SCHOOL

On the way to and from school, students should respect the rights, privacy, and property of the community, neighbors, stores etc.; and refrain from loitering, trespassing, littering, or creating noise. If needed, the school may take disciplinary action for reports of complaints from the community.

25 ACTIVITIES

25.a Fundraising

No person may solicit contributions or collect funds for any purpose from students or school personnel on school property, at school-sponsored events, or on school transportation unless he has the written permission of the school Director.

25.b Sales

Advertising may be permitted if it’s for approved school-related activities. Such activities may include school newspapers, yearbooks, and other fund-raising projects. Advertising material that promotes the use of alcohol and tobacco is strictly prohibited. No person may display, offer to sell, or sell any item or service to students or school personnel on school property, at school- sponsored events, or on school transportation unless he/she has the written permission of the school Director.

25.c Demonstrations or Meetings on School Premises (Non-school-sponsored)

Any student who wishes to promote, organize, or participate in a demonstration or meeting on school premises other than those sponsored by the school must obtain prior approval from the Director at least three (3) days prior to the requested activity. The three (3) day period does not include the day of the request or the day of the activity. Before approving the request, the Director will determine if the activity will be orderly and peaceful and will not interfere with the rights of others or disrupt the education process. Please note that per M.G.L. c. 71, sec. 82 an assembly planned by students during school hours should be held “only at a time and place approved in advance by the school Director or his designee.”

25.d Assemblies

Unless otherwise announced, students report to their regularly scheduled class before being excused to attend an assembly. After allowing adequate time for roll call and making necessary announcements, students will be dismissed for the assembly by intercom. Students are expected to attend assemblies when dismissed from class unless a different assignment is given to a student by the school administration. A student will be considered truant and disciplinary action will be taken if he/she does not attend an assembly. Students should enter the assembly area quietly, be seated and behave in a mannerly fashion. Appreciation should be shown with applause. No food or drinks are allowed in the assembly area.

25.e Arts and Activity Groups Procedure

The HCSS philosophy concerning performing arts in education is that the total learning experience involves practice, performance, and evaluation. A student is expected to be evaluated on both practices and performance. Students and parents should be aware of possible conflicts with other activities, both in and out of the school system. The following guidelines of student responsibility to performing arts and activity groups are outlined:

Performing groups have responsibilities in and away from the school, during and after regular school hours, and student members of such groups must adhere to all organizational rules and policies.

Students are expected to attend rehearsals and performances of the school organization of which they are a member. Participation and service in the performing group outside of the classroom will be a determining factor of the grade. Any student who is absent from a scheduled required rehearsal or performance may have his/her semester grade lowered one letter grade because of unexcused absences per performance. In grades 9-12, the student may lose the position in the performing group and become an alternate performer to the main performing group.

The following conditions constitute reasons for an excused absence from a required rehearsal or performance:

1. Out-of-town trip with family, provided prior approval is obtained from activity director, and five-day prior notice is given to the school in writing.
2. Family emergency.
3. Illness (Director should be notified prior to required rehearsal or performance).
4. Any conflicts of school activities which have been previously resolved with the Director.

The Director will determine whether or not an activity is a required rehearsal or performance.

The initial responsibility for a review of the policy is that of the student. If an acceptable solution is not reached during a meeting of the student and the activity director, the building Director will be informed of the need to review the request.

The Director will meet with the concerned student and the activity director (instructor) to obtain needed information. A decision by the Director concerning resolution of disagreement will be provided all interested parties.

26 STUDENT PARKING

Due to the limited space in our School Parking Lot, a student parking ban may be enforced. Grade 12 (senior year) are the only authorized students to park on campus. Unauthorized vehicles may be towed at the owner's expense. Students visiting school after dismissal hour should follow the following rules. A (5) five mph speed limit will be enforced in all lots. Unsafe operation of a vehicle on campus, speeding, improper parking, or failure to obey posted signs on campus may result in disciplinary action. Students are instructed to leave their vehicles immediately after parking correctly. Under no circumstances will students be allowed to sit in vehicles.

Senior students are expected to obtain mandatory parking permits if parking on campus or risk discipline/consequences up to possible towing of a vehicle.

27 VISITORS

Visitors for educational reasons are welcome at HCSS. Visitors must sign in with the office when they arrive. Visitors must present a valid ID to the front office personnel. No visitor is allowed to walk in the school without a visitor pass. Parents must also check in at the front office. Students' visitors are not permitted on site. Do not bring guests to school without prior arrangements. No visitors will be allowed during the last two weeks of each semester or/and during the week prior to any school holiday.

Parents or other adults may not walk in the cafeteria, hallways, or to the classrooms at any time unless a form has earlier been completed to give notification to the school and the teacher. The same form must be completed when a parent requests to observe a class.

28 PROTECTIVE ORDERS/RESTRAINING ORDERS

It is the responsibility of the parent/guardian to notify the school in writing of any special court orders or directives in regard to student safety or sign-out procedures. The school will not be responsible for violations, if copies of court orders are not on file.

29 EMERGENCY PROCEDURES

Fire, lockdown, evacuation, and tornado drill instructions will be discussed in each class during the first week of the semester. Students need to understand and follow these instructions. This is a life and death matter. The instructions will be posted on the bulletin board in each teacher's room and students should be familiar with the assigned drill areas.

HAMPDEN CHARTER SCHOOL OF SCIENCE EAST-WEST

In the event of a lock-down, it will be announced as prescribed by the appropriate administration or staff member.

The evacuation procedures will be covered with students by their teachers and announced by staff as prescribed by the Administration. As a backup Fire and Tornado Alert system, hand-held air horns may be used. Each building will have a teacher assigned to use the air horn to alert the students.

30 GRADING POLICY

It is the philosophy of the Hampden Charter School of Science East that students respond more positively to the opportunity for success than to the threat of failure. We seek, therefore, through our instructional programs, to make achievement both recognizable and possible for students. We emphasize achievement in our processes of evaluating student performance. We report achievement through the use of letter grades.

30.a Basis for Grading

Expectations for each course shall be provided to every student within one week of the beginning of a course in order to inform both the students and the parents of each teacher's expectations and the responsibilities of the student relative to the successful completion of the course. Teachers will take time to explain the course objectives, the expectations for student performance and responsibilities and the evaluation system the teacher will use to determine the extent to which the student has achieved the course objectives. The teacher shall also make clear to the students at appropriate intervals (e.g. Beginning of each semester) and to parents as necessary, the basis upon which the grades are earned.

Grades are based on evidence of the attainment of the instructional objectives of the course. The extent to which the student has attained these objectives shall be determined by his/her performance on assessment measures which are developed, administered, and corrected by the teacher. The minimum passing grade for all courses shall be D starting from the 2011-2012 academic year. This change will not affect the earned credits/grades from previous years.

Student grades for every course shall use the Alpha scale listed below:

GRADING SCALE

Grade	Pass / Fail	Grade Point Value	Quality Point Value
A+	Pass	4.00	97-100
A	Pass	3.75	93-96
A-	Pass	3.50	90-92

D	Pass	1.50	65-66
F	Fail	0.00	0-64
P	Pass	N/A	N/A
Incomplete	Incomplete	N/A	N/A

30.b Honor Roll

Honors

An Honor Roll list is published at the end of each marking period and includes those students who have earned all A's and B's during that marking period.

Students who receive an incomplete grade or grades other than A's and B's in any subject do not qualify.

High Honors

A High Honor Roll list is published at the end of each marking period and includes those students who have earned only A's during that marking period.

Students who receive an incomplete grade or grades other than A's in any subject do not qualify.

31 STUDENT RECORDS

Families and students aged 14 or older have the right to access and seek amendment to student records and the right to their confidentiality. An exception to confidentiality includes release of records to another school to which a student intends to transfer upon request from the receiving school. In addition, HCSS may release some information without a parent or eligible student's prior consent, including a student's name, grade, participation in school activities and honors and awards. If you do not want this information released without your consent, you must notify the Director of the School before September 17th, 2021. Full copies of the student record regulations are available upon request. Complaints regarding any violations of confidentiality, access, or fair hearings can be made with the US Dept. of Education, Office of Family Policy Compliance, 400 Maryland Ave. SW, Washington, DC 20202-8520
